

# Immediate Release — Haunt of Halloween Sept. 30-Oct. 31, 2021

ARE YOU READY TO SCREAM?  
WE'RE READY TO  
MAKE YOU SCREAM!

Haunt of Halloween conjures up a hell of a scary time in truly macabre fashion starting Sept. 30-Oct. 31, 2021 on selected days/nights. From our collective twisted minds come Outpost 13, a 5,000+ square-foot haunted maze that unmasks the true spirit of Halloween! It's psychologically designed to shock your senses, test your limits, and bring out your deepest fears. It also showcases a SCARE ZONE where the tables are turned and you're given 5 minutes to draw blood-curdling screams from your victims — it's where maze-goers get to scare the hell out of people.

Haunt of Halloween on Sat. and Sun. from 2-5PM shifts to "kid fun mode". The Not-So-Scary Haunted Maze is great fun and ideal for guests ages 6 – 12. They will enjoy a "less haunted" 3600 sq. ft. version of our haunted maze featuring Trick-or-Treating all throughout the maze and fun activities... just without the fright! No special effects, scare-o-meter off and theatrical lights on. There will also be a pumpkin patch with non-knife carving/decorating and spooky Halloween shows and acts. Costumes are encouraged.

Haunt of Halloween is the ideal Halloween experience for all Halloween fanatics. The event also features an interactive reptile exhibit, a face your fears sensory attraction, and an up close horror pop up. Also, makeovers by Hollywood special effects make-up artists from Cinema Makeup School, George the Giant's strange museum of oddities and wonders, free souvenir photo op, Freakshow Deluxe Sideshow, REMJ Thriller Workshop, The Magic of Rodney Reyes (illusionist), Monte Revolta's Shocktail Party, meet and greets, Halloween-themed food (like pumpkin spice kettle corn) and more to get you into the Halloween spirit!
